Continuing Medical Education Credit

Accreditation Statement:

Ascension Providence Hospital is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

AMA Credit Designation Statement:

The Ascension Providence Hospital designates this live activity for a maximum of 9 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **Osteopathic Physicians:** *AMA PRA Category 1 Credits*[™] are acceptable towards **Category 2-A Credit**.

Objectives

Attendees of this course will:

- Describe clinical, audiologic and imaging of common inner and middle ear malformations and discuss management options.
- Compare audiologic performance and tinnitus severity at 12 months in patients undergoing tumor resection and simultaneous cochlear implant.
- Describe different aspects of gamma knife therapy in acoustic neuroma management.
- Describe technologies that may improve cochlear implant outcomes.
- Discern specific benefits of bilateral implantation and which patients may be candidates.
- Describe recent tinnitus research and develop a comprehensive approach to tinnitus management.
- Describe the public health implications of cochlear implant in children and adults.
- Describe the process of decision making, the problems introduced by bias, and how to improve the decision process.
- Recognize alternative approaches to a radical cavity in cholesteatoma surgery and understand key surgical and post surgical contraindications.
- Recognize features distinguishing otologic and non-otologic vestibular disorders and how to implement a screening protocol for new patients.
- Describe the latest options for hearing rehabilitation.
- Describe the evaluation of patients with conductive hearing loss in isolation and in combination of superior canal dehiscence.
- Describe equipment and materials available for tympanoplasty, approaches used in surgery along with review of old and new graft options.

Annual
Spring
Conference
June 11-12, 2022

Otology Update
for the
Practicing
Otolaryngologist

Guest Faculty

David R. Friedland, M.D., Ph.D.
Professor and Vice-Chair,
Department of Otolaryngology and
Communication Sciences
Medical College of Wisconsin
Chief, Division of Otology and
Neurotologic Skull Base Surgery

Grand Traverse Resort
Traverse City, Michigan

Friday June 10, 2022

Arrive Grand Traverse Resort

Saturday June 11, 2022

- 6:30 a.m. Registration**
Continental Breakfast
- 6:55 a.m. Welcome**
- 7:00 a.m. Tympanoplasty 2022, anything new?**
Dennis Bojrab, Sr, MD
- 7:20 a.m. Soft Wall Reconstruction in Cholesteatoma Surgery**
David R. Friedland MD PhD
- 8:00 a.m. The role of allergy management for common otologic conditions**
Ilka Naumann, MD
- 8:30 a.m. Diagnosis and Management of Inner and Middle Ear Malformations.**
Eric Sargent, MD
- 9:00 a.m. Questions/Comments/Discussion**
- 9:30 a.m. Break & Visit with Exhibitors**
- 10:00 a.m. Simultaneous Translabyrinthine Rection and Cochlear Implantation: 12-Month Cohort Outcomes and Literature Review**
Karl W. Doerfer, MD
- 10:30 a.m. Gamma Knife and Acoustic neuroma treatment**
Dennis Bojrab II, MD

Saturday June 11th - continued

- 11:00 a.m. Hearing Rehabilitation: Present and Future**
David R. Friedland MD PhD
- 11:40 a.m. Practice Management, Tax Reduction & Estate Planning**
Charlie Nemes & Chris Nemes
Nemes Rush Family Wealth Management
- 12:00 p.m. Discussion/Lunch**

Sunday June 12, 2022

- 6:30 a.m. Continental Breakfast**
- 6:55 a.m. Welcome**
- 7:00 a.m. Evaluation of conductive hearing loss with consideration of superior canal dehiscence.**
Seilesh Babu, MD
- 7:30 a.m. Decision Making**
John Zappia, MD
- 8:00 a.m. A Practical Approach to Dizziness**
David R. Friedland MD PhD
- 9:10 a.m. Questions/Comments/Discussion**
- 9:30 a.m. Break & Visit with Exhibitors**
- 10:00 a.m. Tinnitus - What do we really know?**
Eleanor Y. Chan, MD

Sunday, June 12th - continued

- 10:30 a.m. Emerging technologies to improve cochlear implantation**
Robert Hong, MD PhD
- 11:00 a.m. Bilateral Cochlear Implantation**
Christopher Schutt MD
- 11:30a.m. Cochlear Implants: A Public Health Perspective**
Garrett Casale, MD
- 12:00p.m. Discussion/Adjourn**
